Tauondi Aboriginal Corporation (Tauondi Aboriginal College)

Tauondi Aboriginal College is an independent registered training organisation for Aboriginal adults in South Australia. It has been owned and governed by Aboriginal people since 1973. The College provides education for the “whole” person, affirming Aboriginal cultures and identities in ways that respect Aboriginal law and customs and the diversity of students’ experiences and ambitions.

Within this holistic philosophy, Tauondi College offers a range of nationally accredited training programs, as well as non-accredited Adult Community Education (ACE) activities specifically designed to meet the needs of Aboriginal and Torres Strait Islander people and their communities. These programs provide pathways to further study and employment.

In recent years, Tauondi College has expanded services to include employment placement. Training programs expose students to employers through work placements with the view to increase employment outcomes and to participation in economic activities.

Tauondi College also has a very proud tradition of providing cultural awareness programs to the broader community (government, private enterprise, businesses, and primary, secondary, tertiary schools) across South Australia.

These important principles, established at our inception, over 40 years ago, are fundamental to who we are, how we operate and what makes Tauondi College a special place for Aboriginal and Torres Strait Islander people to come together to grow and learn.
